a Translator & Storekeeper he cannot claim during this period the horse allowance to which he would have been entitled if he were in the executive line. It may here be pointed out that ~~He~~ Krishnamurti Rao was only getting Rs 50/- (Pay) as Inspector and he ~~was~~ is getting Rs 60/- while he is employed in the Excise Comm's Office. The Excise Comm't in ~~his letter~~ in his letter no: 764) 8 (Ex 27/3/11 (para 5) states that Krishnamurti Rao, while employed in his Office as storekeeper and translator, gets his horse allowance of Rs 20/- on the ground that he is only Instructor doing duty in his Office. the appointment of the Instructor it is seen that when an ~~the Instructor~~ Inspector takes charge of the School he is entitled for his pay, his horse allowance and a local allowance. It is not clear how Krishnamurti Rao is considered to be still borne on the executive Estabt. even when he is doing duty as Translator and Storekeeper in the Excise Comm.r's Office. If he is considered as ~~leaving~~ being transferred from the Storekeeper's place to that of the Instructor, then there is some reason to grant the horse allowance. But being already in Bangalore in a head quarte Office as a ministerial Officer it is doubtful if the local allowance attached to the Instructor's place can be given to this Officer. This local allowance when it was first sanctioned was practically intended for the Officer who came

(25) There seems to be much force in the above note. Krishna murthi Rao has had a promotion to Rs 60/- only recently* and he is working as a clerk in the Ex. Comm's office now and can not enter on his duties as an Instructor till August next. But for the order appointing him Instructor he could not draw any horse allowance as a clerk (Storekeeper Etc) in the Excise Comm's office. It seems therefore sufficient if he is allowed an allowance of Rs 20/- for work as an Instructor. That seems to be no reason why he shd be given a horse allowance which he is not drawing now.

(26) The precedents however are in his favour. Both Krishna Iyengar and Ranga Rau Naidu who were appointed to the charge of the School from the Executive line where they were drawing a permanent H.A. of Rs 20/- continued to draw it as Instructors besides the allowance of Rs 20/- attached to the post.

1. The allowance given to the Instructor of the Excise Training School when it was first started was in the first part of the G.O. sanctioning the Estab. styled Permanent travelling allowance and when giving details in the latter part of it styled horse allowance. It is really permanant travelling allowance. The Excise Comm.r recommended the same on the ground that a great deal of the work of the school had to be done in the Distillery buildings. In this connection it may be mentioned that ~~practically~~ classes are held generally in the Fort in the mornings. As this Officer has necessarily to maintain some kind of conveyance to go to the Distillery buildings this allowance was sanctioned by Govt.

S.R. 108-07-7. (Dr. collr. Hags).

The allowance generally given to all the Excise Inspectors is of the nature of the ~~loan~~ permanent travelling allowance and is ~~granted~~ meant to meet the cost of travelling within their circle of duty. This allowance is given for meeting railway fares,

ck, in addition to the necessity for maintaining a horse (for purposes of their travelling). but as already stated as an exception to the general rule a privilege attached to the "Horse allowance" under the Service Regulations has been especially given to Excise Inspectors. [vide art. 5 Vol (subl. I.) M.S.R.]

2. Strictly speaking no option is left to these Inspectors to choose the kind of conveyance they may keep for their travelling as they are actually required to maintain horses and as a special certificate has been provided for on this account in the pay bill of Excise Inspectors. It may be stated in this connection that the Excise Commr has issued a circular on 27-6-1908 to all the Dt Excise Officers to see that all Inspectors & Asst Inspectors drawing horse allowance keep suitable animals for the purpose and use the same and in the event of their failing to do so

In this connection it may also be mentioned that there is a recent reference from the Excise Commt under the consideration of Govt on the subject of giving the option to Inspectors of certain localities to maintain bicycles with the special sanction of the Excise Commt where he considers these machines to be more useful for the discharge of their duties.

Adverting to Government Proceedings No. Fl.3516-25/S.R 106-07-4, dated 12th February 1909, sanctioning the opening of a training school for training the existing staff in the technical work of the Department, I have the honor to state that since the starting of the school from the 2nd August 1909 as many as 33 Inspectors and 68 Assistant Inspectors besides some Sub-Inspectors and recruits have received training in all the 5 sessions during which the school was held. There are now left only very few of the English knowing staff yet to receive training. Even for the last batch some Sub-Inspectors had to be admitted to make up the proper strength of the class as there was not a sufficient number of Assistant Inspectors who could understand the course of instruc-tion in English.

2. As a large number of Assistant Inspectors is till left untrained owing to their ignorance of English and as it is consi-dered necessary to extend the benefit of the training even to Sub-Inspectors, it is intended to convey the instruction in Kannada in future so that the whole of the existing staff may have the advant-age of the training in the technical work of the Department. With this object in view, I have now appointed A. Krishnamurthi Rao at present Excise Inspector on Rs.60 plus 20 who has passed two branches

General and Revenue Departments.

SIR,

Adverting to Government Order No. Fl.5139-70/S.R.157-10, dated the 22nd April 1911, sanctioning the continuance of the Excise Training school for another year, from August 1911 as well as the appointment of Krishnamurthy Rao as Instructor, I have the honor to state that the pay of Krishnamurthy Rao is stated to be only R$.60/- plus R$.20/- per mensem. As he has already been in receipt of this salary as Excise Inspector, he was recommended in this office letter No.7647, dated the 27th March 1911, to the local allowance of R$.20/- attached to the post of the Instructor, in addition to his salary (viz, R$.60 plus 20). Since his predecessors were getting this local allowance of R$.20/- in addition to their grade pay and horse allow--ance in view of the responsibility as Instructor, I request that you will kindly obtain the sanction of Government to modify the order under advertance so as to include the local allowance of R$.20/- in the emoluments of Krishnamurthy Rao.

2 As submitted in para 5 of this office letter No.7647, dated 27th March 1911, this local allowance will be drawn only when Krishnamurthy Rao is in actual charge of the school.

3 I solicit the favour of very early orders in the matter.

I have the honor to be,
Sir,
Your most obedient servant,

Excise Commissioner.
